In above tenders bid data sheet Clause -22 Additional Performance Security is Written as "Equal to an amount arrived at, by multiplying the contract amount with difference of percentage between percent rates (below/minus) of successful bid and fifteen percent (below/minus), considering bid rates less than fifteen percent below PAC, to be unworkable and shall require additional performance security (guarantee)." Instead of above Para it is now read as "Equal to an amount arrived at, by multiplying the contract amount with difference of percentage between percent rates (below/minus) of successful bid and Ten percent (below/minus), considering bid rates less than ten percent below PAC, to be unworkable and shall require additional performance security (guarantee)." M.P. Public Works Department Circular No. एफ 53/2/2011/यो/19/2822 भोपाल दिनांक 10 अगस्त, 2022
